

Kia ora koutou

Welcome back to Term 4. It is hard to believe that we are already three quarters of the way through the year. This term is a busy term with assessments, swimming and other end of the year activities being packed into 9-and-a-half weeks.

Pick up from the Church Carpark

Our attention has been drawn to some health and safety concerns around the use of the church carpark. A reminder that while parents are welcome to pick your children from the back of the school, all children are expected to wait outside the school office where a teacher is rostered to provide supervision. Parents need to park and walk through the school grounds to pick up children from the collection area.

Please note that starting this term, the church gate will only be opened by the teacher taking children to the LAC bus and it will be locked again as they return. If you find the gate locked, please come to the front entrance to collect your children.

Hats

From Labour Weekend, all children must be wearing a regulation school hat in order to be outside playing. The teachers will be checking to see who has hats in the next week. For those children who do not have one or cannot find their old ones, they are available for purchase from the school office for \$20 each.

Assessment Week

Teachers will be assessing children for the fortnight starting Monday, 4 November. It would be appreciated if all children are at school and rested in order that they can perform at their best.

Teacher Only Day - Friday, 15th November

Schools have been given a Teacher Only day in order to learn about the changes in the curriculum for 2025.

School Uniform

Most of the uniform is now available from NZ Uniforms at 589B Tremaine Ave. At time of writing, they are still waiting for the boys shorts, pants and girls tunics.

Swimming Lessons

Swimming lessons will commence on Monday, 18 November and will be each Monday, Tuesday and Wednesday for a total of 8 lessons. All children are expected to participate.

Attendance Dues for 2025

These will be \$630p.a. which is an increase of \$20 a year.
