

Kia ora koutou

I was blessed to join SDA Principals from around New Zealand and Tahiti at our Leadership Hui in Auckland at the end of May. We were inspired by Darryl DeBoer from Canada who spoke on Teaching for Transformation. This involves intentionally connecting the learning and learners to God's story and inviting children to be part of how God is making all things new. It's exciting to know that our students can and do impact their community for Jesus.

We enjoyed attending Carnot School's production at The Regent yesterday. A clever story about Beetles. Those who paid close attention may have seen the parallels to the Gospel. Our children were so well behaved and were thoroughly engaged in the show.

Tickets for our production will be available within the next few days. The ticket price will be \$25. Shows will be at 6:30pm on Tuesday the 2nd of July and 12:00pm and 6:30pm on Wednesday 3rd of July at Spiers Centre. We will keep you updated.

Production practices are scheduled each day. On Thursday 27th of June, we will have a full rehearsal with LAC intermediate students in the church hall. On Monday the 1st of July the plan is to rehearse at Speirs Centre. Tuesday 2nd and Wednesday 3rd will be full rehearsals and shows at Speirs Centre. Permission forms will be on Skool Loop next week.

Pasifika Fusion is also happening on Tuesday, July 2nd. Some of our children are involved in this along with LAC students. A big Thank You to our parents who are organising our entry.

PB4L assemblies are focused on excellence: in class, at play, at home, at church, and in the community - we will always do our best!

Ngā mihi nui

Karla Mitchell - Princinal

**Excellence is:
always doing
our best.**
