Educating for Eternity

Dear parents and students of the NZ Seventh-day Adventist Schools

Apology re new student uniform delay.

On behalf of The NZ Seventh-day Adventist Schools Association, we pray this message finds you well.

We inform you of an unforeseen delay in releasing the new school uniforms due to manufacturing challenges. We understand that this may cause inconvenience and frustration, and for this, as we were hoping to have these available for sale by the start of Term 3, we sincerely apologise for the inconvenience this has caused to the entire school community.

We are working diligently with our suppliers to expedite the process and ensure that the uniforms are available soon. They hope to have the uniforms ready for Term 4 2024.

We have consulted with school principals to provide school feedback on a more appropriate timeframe, considering that term 4 is too late. Therefore, we ask parents and students to consider purchasing the new uniforms at the commencement of the new school year in 2025.

In the meantime, we are offering the following interim solutions to help ease the transition:

1. Second-hand Uniforms: Families can purchase second-hand uniforms, which are available at a **FREE!** price.
2. Leftover Stock: We also have a limited amount of leftover stock from previous years, which will be sold at a **FREE!** low rate.

We appreciate your understanding and patience as we navigate this delay. Our priority is to ensure that all students have the necessary uniforms for the new school year, and we are committed to providing support during this period.

If you have any questions or need further assistance, please do not hesitate to contact the school office. Thank you for your continued support and cooperation.
