Production Week Updates & Performance Details

Production Week is officially underway, and our students and staff are pouring so much effort into making this show a success! Final School Rehearsal & Community Builders Monday afternoon, we performed for a group of invited guests right here at school for our final rehearsal. As part of our Teaching for Transformation framework, this performance gave our students the opportunity to practice being Community Builders by sharing their talents to bring joy to others.

In line with this effort, our staff worship focus this week centres on being Servant Workers. This theme is particularly fitting given the countless hours of dedication, care, and hard work our staff and parent volunteers are pouring into making Production Week a wonderful experience for every child.

Ticket Availability (\$5 Each from the Office)

- Tuesday Evening (Opening Night): Limited tickets remaining.
- Thursday Evening (Closing Night): A handful of tickets left!
- Thursday Matinee: Plenty of seats available.

Thank you to everyone in our school community for your support and service as we bring this production to life!

Blessings, Karla Mitchell – Principal
