Palmerston North Adventist Christian School

Learning and Growing in God

28 October 2026
Term 4, Week 3

NEWSLETTER

From the Principal's Desk

Kia ora e te whānau,

A huge thank you to all our parents and whānau for your support yesterday during our Teacher Only Day. Our staff spent a valuable day diving deeper into the maths curriculum to further enrich our teaching and learning programs.

This term, our topic learning is focused on biological science as we explore how we are fearfully and wonderfully made. We encourage you to chat with your children at home about what they are discovering regarding our amazing bodies and internal systems!

Looking ahead, we have our school swimming program coming up in Week 5. Please make sure you have signed the permission form on Hero so your child(ren) can participate.

Tomorrow is our exciting LIFE Leader-led fundraiser! We would greatly appreciate any donations of toys or baking, which can be dropped off at the library first thing in the morning or before 2:00 PM. Parents and caregivers are warmly invited to come to school from 2:00 PM to collect your children and visit the library to shop the stalls together. We hope to see many of you there!

A friendly reminder that attendance dues must be kept up to date. Thank you so much to all the families who have already paid. At this stage in the year, there should be no more than $165 per child owing on accounts.

Ngā mihi nui and God bless,
Karla Mitchell - Principal

Term 4
